Belize Advisors Immigration Services Overview

Offering Flexible Service Solutions Packages

Introduction

In today's competitive market offering flexible service packages allows businesses to cater to a diverse range of customer needs and budgets. By structuring services into multiple packages, clients can choose the level of support, features, and price point that suits them best. Below is a list of our service packages:

Service Packages

Service Package	Description
Consultation	Meet with an Immigration Advisor for up to one hour to find out what the client requires, the services we can provide and the related costs.
Application Service	Preparing the appropriate application including reviewing the required supporting materials and submitting completed application to the Immigration Department or Belize Tourism Board (BTB).
Temporary Investment Residency Service	Temporary Investment Residency is granted for one year, can be renewed, and requires proof of an investment of at least $500,000 BZ ($250,000 US). Our service package includes consultation, Application Services and ongoing assistance to completion.
Permanent Residency Service	To qualify, a person must have lived legally in Belize for at least one year and must not have been outside the country for more than 14 days during the year before applying for Permanent Residency. Applicants must demonstrate ongoing financial stability and have a clean criminal record with no convictions in any country. Our service package includes consultation, Application Services and ongoing assistance to completion.
Qualified Retired Person Service	To quality, the Primary Applicant must be at least 40 years old and may include dependents (spouses and children under 18). Primary Applicant must show reliable retirement income (such as pensions, investments, or savings), deposit required funds in a Belizean financial institution annually, pass security checks, and reside in Belize for at least 30 consecutive days per annum. Eligible Applicants may be
